

Roll With It

Need: Die, Timer, Paper, Drawing Tools, Chart (1 per player)

How to play: Decide if you are going to be drawing a person, place, or thing (real or imagined!). Roll the die to see how many of each shape to use (keep track on your chart). Set a timer for 2 minutes (adjust according to the needs of who is playing). Create a drawing showing your noun. Present it with a description, such as:

For a...

...**Person** - Name, time period, why they are important, etc.

...**Place** - Where in the world (or galaxy, or beyond), features of land or cultures, etc.

...**Thing** - Animal: habitat, food, characteristics; Object: when and why invented, etc.

After everyone has had a turn, vote on the funniest, most creative, most unusual, most realistic, or other predetermined award(s). Votes are worth 5 points each.

Add vote points to the total amount of shapes used to find the winner of the round.
